

Tabletop Gas Griddles

Model FHP24-24

Model FHP36-36

Superior features, better value

Space saving 6" incremental sizes up to 72" wide. Griddle plates measure 21 $\frac{1}{4}$ " deep by $\frac{3}{4}$ " thick. Sturdy welded frames, heavy duty stainless pipe legs, energy efficient insulation, easy cleaning stainless steel finish, cast iron burners, 4 $\frac{1}{2}$ " high back and side splash guards. CASTLE appliances are set at the factory for the type of gas desired. No need to risk improper field conversions. Options and accessories include thermostats, safety shutoff valves, 1" thick plates, 24" deep cooking surface, chrome plated surface, grooved top and cutting boards. Griddles match perfectly with tabletop char-broilers, and open flame burners models, available as one-piece combination models with one easy gas hook-up.
